

Testimonials

...learning became fun. A skilled, caring teacher, a quiet classroom.... Thank you OBCA for giving my granddaughter a great education and good Christian ideals to live by.
Francine Hinton

I have been asked "Is it worth all of the tuition you have to pay?" My answer is Yes! OBCA was an answered prayer. I know my children are being taught sound biblical doctrine and academic excellence. You cannot put a monetary value on these things.

Mike & Christy Smith

What really touches my heart is when my children come home and say, "I'm so excited, today was my turn to pray in class." What more needs to be said? OBCA is the best thing that ever happened to my family!

Nick & Angie McNemar

Having Hannah in OBCA has been such a blessing to us. You rarely see first graders know so much about the Bible and have such a desire to read and write. The Lord has been so good to us by making a way for a Christian education for our child.

Jimmy & Dawn Hightower

...knowing that our child is receiving daily instruction in an accelerated educational program and daily instruction in the Word of God. Everyone should be so blessed, and could be, if they would take a leap of faith and put their children at OBCA.

How will your Annual Fund dollars be used?

- * Scholarship Endowments
- * Operating Expenses
- * Facility Enhancements
- * Special Projects
- * Special Events
- * Supplies

Scholarship Endowments. We aim to assist 15 families in the August 2009 school year, and 20 families in the August 2010 school year through scholarship endowments.

Facility Enhancements to include:

- * 8th Grade Classrooms
- * Server for A/R Program
- * Storage Facility
- * Computer Equipment
- * Playground Equipment

Special Projects.

Cafeteria. Currently lunch tables are arranged in the gymnasium for breakfast and lunch.

OBCA's goal is to grow by adding a grade each year, so that students can continue their academic growth in a Christian environment.

We ask for your support, prayerfully and financially, as we determine God's will for 9th-12th grade classrooms. We also ask that you pray for our staffing needs.

"Give, and it will be given to you, good measure, pressed down, shaken together, running over, they will pour into your lap. For whatever measure you deal out to others, it will be dealt to you in return."

Luke 6:38

Old Bethel Christian Academy began in 2007 with 45 students in grades Pre-K to 6. We received state approval in our charter year. In our second year, enrollment increased by 73% to 78 students and are anticipating another large increase for the 2009-2010 school year.

What is the OBCA Annual Fund?

Current tuition fees meet only 58% of operating expenses. Operating expenses include salaries, equipment, and supplies for the day to day operations of OBCA.

The Annual fund provides operating support to the school's budget so that children can receive a strong academic education with a Christian foundation.

The goal of the Annual Fund is to enable Old Bethel Christian Academy to become self-sustaining through contributions made from 'Giving Hearts', to enable OBCA to keep tuition at an affordable level for our families, and to meet the needs incurred from increased enrollment.
